(AU) Disposal and recycling

The product is classified by the Waste Electrical or Electronic Equipment (WEEE) directive. Batteries (if used) and waste electrical products should not be disposed of with other household or other commercial waste. At the end of its useful life, the packaging and the product should be disposed of via a suitable recycling centre. For information on available facilities, please contact your local authority or retailer from where the product was purchased.

ACMA declaration of conformity

Hereby Ademco AUS PTY LTD declares that the radio equipment type DC515NGA is in compliance with Radiocommunications (Compliance Labelling – Devices) Notice 2014, Compilation No. 5.

Guarantee

Ademco AUS PTY LTD undertakes to replace or repair at its discretion goods, should they become defective within 2 year solely as a result of faulty materials and workmanship. Understandably, if the product has not been installed, operated or maintained in accordance with the instructions, if the product has not been used appropriately or if any attempt has been made to rectify, dismantle or alter the product in any way, the guarantee will be invalidated. The guarantee states Ademco AUS PTY LTD entire liability. The guarantee does not extend to cover consequential loss or damage or installation costs arising from the defective product. The guarantee does not in any way affect the statutory or other rights of a consumer and applies to products installed within Australia or New Zealand. If an item develops a fault, the product must be returned to the point of sale with:

1. Proof of purchase.
2. Full description of the fault.
3. All relevant batteries (disconnected).

(AU) Important Safety Information

WARNING

Do not ingest the battery, Chemical Burn Hazard

(The remote control supplied) This product contains a coin/button cell battery. If the coin/button cell battery is swallowed, it can cause severe internal burns in just 2 hours and can lead to death.

Keep new and used batteries away from children.

If the battery compartment does not close securely, stop using the product and keep it away from children.

If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.
