Live well with Honeywell
Honeywell is a world leading provider of innovative technology for the home. Our doorbells are designed to be revolutionary for a reason, to provide homes and families with the perfect balance of comfort, control and peace of mind.

Honeywell was established in 1885, and for the last 130 years we’ve driven our business forward to greater heights through innovations and a desire to improve lives. Homes and families are at the heart of everything we create. We truly believe that Honeywell products will make a family’s life easier, taking away those little stresses and difficulties so people can get on with living well.

Of course, if you want to make people’s lives easier then reliability must go hand-in-hand with innovation. You can’t rely on products that don’t perform to standard. Like our company, our components can weather the test of time; it’s important to us that our products are robust enough to withstand the rigours of daily life, as well as improve it.

Reliability, quality and excellence are our watchwords, backed up by our 2 year guarantee, a promise we proudly uphold for all our customers.
Honeywell doorbells represent the next generation in technology for the home – doorbells that not only adapt to suit your home, but have the capability to grow with your family as needs and habits evolve.

By taking Friedland’s 60 year heritage of creating the best doorbells in the world, and adding Honeywell’s expertise and track record in innovation, we’ve designed a range of truly revolutionary doorbells from the ground up that are not only stunning and incredibly reliable, but also completely change the definition of what a doorbell is capable of.

Honeywell doorbells are different because of their intuitive design and flexibility. They grow with your family, adapting to your home and lifestyle through a range of clever, customisable features so you’re always able to control how you use them.
Never miss a visitor or delivery

✓ Portable doorbells can be taken with you anywhere around the home and garden
✓ Wireless range of up to 200m means your doorbell will always work, wherever you place it
✓ Link two doorbells together to boost the wireless range from 200m up to 400m

Disturbance free

✓ Sleep mode mutes the sound for 3, 6, 9 or 12 hours, so you can relax free of any disturbance
✓ Use mute mode to silence the doorbell until you turn the sound back on again
✓ Easily adjust the volume to suit your family or mood
Visual alerts
✓ The unique halo light and LED strobe features provide visual alerts – great in loud environments, when sleep or mute mode is activated and for the hearing-impaired
✓ Customisable halo light with 7 colours to choose from
✓ Nightlight mode guides your way in the dark with a soft comforting glow

Compact size, rich sound
✓ Crystal clear sound quality that can be heard throughout the home and garden
✓ A maximum volume of 90dB gives an audible range of up to 100m
✓ Choose from up to 8 melodies
✓ Customise with your own melodies*

Revolutionary design
✓ Compact size and stunning design seamlessly fits in with your décor
✓ Neutral colours of white and grey complement any room
✓ The USB charging feature means you can still charge your phone or tablet without unplugging your doorbell
Peace of mind

✓ Connect alarm accessories to your doorbell with Honeywell ActivLink™, to build a simple home alarm system for your family. Adding a Honeywell door and window sensor creates a handy entry alarm system, whilst connecting a Honeywell wireless motion sensor creates a clever early alert system

✓ LED confidence light clearly indicates that your doorbell push is working

✓ Press three times quickly, and our secret knock function plays a different melody, so you know if it’s a family member or friend at the door

Reliability and quality

✓ Honeywell ActivLink™, using the 868MHz frequency, is our innovative wireless protocol which delivers 20% wider range, 20% improved battery life and a consistent connection with no interference, making these doorbells our most efficient and reliable yet

✓ Up to 5 years battery life, for peace of mind

✓ 2 year product guarantee

Easy to install and use

✓ Pre-linked and ready to use straight from the box

✓ Easy screw-free installation

✓ Easy open battery compartment

*On model number DC917NG only

Enjoy total peace of mind with a Honeywell doorbell kit

Convenient, simple and easy to install, these pre-linked Honeywell doorbell kits provide the perfect doorbell solution for your home. Whether it’s alerting you to visitors before they’ve even reached your front door, or warning you that someone is attempting to enter or leave your home, these kits will keep your family aware and alert. Supported by Honeywell ActivLink™ technology for improved reliability and range, these clever kits will ensure you never miss a visitor again.

Portable Doorbells

Portable doorbells have an outstanding range, meaning you can take them with you around the home and garden so you’ll never miss a visitor or delivery again.

Plug-in Doorbells

Plug-in doorbells are always powered and ready to go. Our range features such benefits as our innovative nightlight mode, as well as USB charging, so you’re able to charge phones and tablets.
Front and Back Door Kits
Front and back door kits provide a simple, hassle-free solution for your home, providing two pushes that are pre-linked to one doorbell so you’ll never miss a visitor again.

Home and Garden Kits
Never miss a visitor again with this flexible doorbell kit. Place the plug-in doorbell inside your home and take the portable doorbell with you into the garden, so you’ll always know when someone’s at the door.
flexible  exceptional
beautifully  designed
Series 9 represents the very best of Honeywell’s doorbells that have been designed to work in perfect harmony with family homes and busy lifestyles. Portable, versatile and innovative, they grow with your family and adapt to suit your lifestyle.

Featuring Honeywell ActivLink™ technology, these doorbells boast an impressive 200m wireless range, meaning they can be carried throughout the home and garden and still let you know when there’s a visitor at the door. ActivLink™ also enables our doorbells to link with our home alarm products, such as Honeywell door and window sensors or Honeywell wireless motion sensors to create simple early alert and door entry systems for added peace of mind.

Simple to set up and install, Honeywell Series 9 doorbells are pre-linked and ready to go from the moment of purchase, with complete peace of mind thanks to a 5 year battery life, and a 2 year product guarantee.

- Sleep/Mute mode silences the doorbell for 3, 6, 9 or 12 hours, or indefinitely
- Adjustable maximum volume of 90dB means sound carries up to 100m
- Choice of 8 digitally enhanced melodies, with option to customise by adding your own
- Link two doorbells together to extend the wireless range from 200m up to 400m
- Mains power option via micro USB
- Up to 5 years battery life
- Halo light and LED strobe indicators provide visual alerts, perfect for sleep mode, or for when the doorbell can’t be heard
- Customisable halo light with 7 colours to choose from
- Featuring an impressive wireless range of up to 200m

stylish compact designer doorbells
Series 5 doorbells are, quite simply, style personified. Designed to be compact and chic, but packed with amazing features, their sleek design allows them to blend seamlessly into any home.

Featuring portable doorbells for those families who need flexibility, and plug-in kits suited to active households who want to fit and forget, there’s a Series 5 doorbell to suit every home, from busy couples to young families, and everyone in between.

Simple to install and set-up to work straight out of the box, all our Series 5 doorbells benefit from Honeywell ActivLink™ technology, which provides incredibly reliable wireless connectivity and improved battery life of up to 2 years, all supported by our 2 year product guarantee.

- **Halo light and LED strobe indicators** provide visual alerts, perfect for sleep mode, or for when the doorbell can’t be heard.
- **Sleep/Mute mode** silences the doorbell for 3, 6, 9 or 12 hours, or indefinitely.
- **Adjustable maximum volume** of 84dB means sound carries up to 80m.
- **Choice of 6 digitally enhanced, crystal clear melodies**.
- **Impressive wireless range** of up to 150m.
- **Nightlight mode** provides a soft, comforting glow.
- **Up to 2 years battery life**.

Series 3

simple

versatile

reliable
Series 3 features the best in simple and efficient doorbell kits. A Series 3 doorbell will provide everything you’re looking for, plus that little bit more, with features you won’t expect but soon can’t live without.

Series 3 doorbells are designed to be simple, reliable and hassle-free. Thanks to Honeywell ActivLink™, they come pre-linked and ready to go straight out of the box, with uncomplicated, screw-free installation that means you can be ready to go in minutes. They even feature easy-open battery compartments, for complete ease of use.

Available in both portable and plug-in models, these Series 3 doorbells are just what you’ve been looking for, providing outstanding sound quality, reliable wireless connectivity and a 2 year product guarantee so you can simply fit and forget.

Sleep/Mute mode silences the doorbell for 3, 6, 9 or 12 hours, or indefinitely

Adjustable maximum volume of 80-84dB means that sound carries up to 60-80m

Customisable halo light with 7 colours to choose from

Halo light and LED strobe indicators provide visual alerts, perfect for sleep mode or for when the doorbell can’t be heard

Choice of 4 or 6 crystal clear, digitally enhanced melodies

USB charging capability allows you to charge your phone or tablet without unplugging your doorbell*

Up to 2 years battery life

Reliable wireless range of up to 150m

*On model number DC315NBS only

</table>
Honeywell door pushes are the best on the market, teaming great functionality with a best in class design. All come with a LED confidence light, and our innovative security feature called secret knock, which plays an alternative melody when the button is pushed three times in quick succession, letting residents know that it’s family or friends at the door.

For total peace of mind, add an accessory product to your doorbell, creating your own doorbell alert system. Link your doorbell to a Honeywell wireless motion sensor, and receive an early alert as visitors approach your home, or add a Honeywell wireless door and window sensor for a warning every time a door is opened.

All pushes and accessories feature Honeywell ActivLink™ technology, which delivers a wider range capability, improved battery life, and a consistent connection that’s immune to signal interference, making them the most efficient and reliable on the market.

### HS3MAG1N
**Wireless door and window sensor – White**
- Up to 200m wireless range
- Easy open battery compartment
- Up to 2 years battery life
- Low battery indicator
- Easy installation – no wiring required
- Fixings included

Dimensions: 71 x 40 x 14mm
Batteries: 1 x CR2032 (3V) (included)

Unit Barcode: 5004100965936

### L430S
**Wireless Motion Sensor (IP54) – White**
- Monitors large areas with 140 degree and 12m sensing range
- Up to 150m wireless range
- Up to 2 years battery life
- Low battery indicator
- Waterproof (IP54)
- Easy installation – no wiring required
- Fixings included

Dimensions: 111 x 73 x 93mm
Batteries: 1 x 9V PP3 (6LR61) (not included)

Unit Barcode: 5004100967411

### DCP917S
**Doorbell wired to wireless converter kit - White**
- Wire your existing push button to the converter
- Link the converter to any Honeywell wireless portable doorbell
- Up to 200m wireless range
- Easy open battery compartment
- Up to 2 years battery life
- Low battery indicator
- Easy installation – push fit connectors
- Fixings included

Dimensions: 80 x 64 x 15.9mm
Batteries: 1 x CR2032 (3V) (included)

Unit Barcode: 5004100967541
